ENscape Conventional AV Devices

NOTIFIER is pleased to announce the release of the ENscape conventional AV range of KAC

Offering fast installation and safe evacuation for all building occupants, through high performance technology, ENscape reduces costs for contractors and improves the effectiveness of Audible Visual (AV) alarm devices for end-users.

- Full compliance to CPR and RoHS
- Consistent light coverage at any orientation
- High performance sound output – 32 approved tones
- Wall and ceiling mount for flexible deployment
- Choice of red or white optical flash
- Flexible installation and engineer-friendly design features
