

Changes in SOLO Smoke Detector Test Aerosol Offering

In recent years, world governing bodies have looked more closely at the use of gasses and the amounts that are released into the environment and, thus HFC 134a was targeted for phase out.

Having been aware of these upcoming changes for some time, Solo has developed several alternatives to ensure users can continue to benefit from the reliability offered by the current range. Please take note of the following changes.

New range overview:

Item #	Description	
SOLOC3-001	TEST CO 250ml, Use With Dispenser	
SOLOA5-001	TEST SMOKE 250ml, Use With Dispenser (Flammable)	
SOLOA10-001	TEST SMOKE 150ml, Use With Dispenser (Non-flammable)	
SMOKESABRE-01-001	Smoke detector tester with retractable 'funnel', 150ml
