

Date: 7th January, 2008

Affected Products:	Battery product range
---------------------------	-----------------------

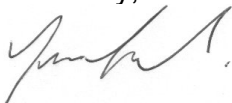

Unfortunately due to a substantial increase in our costs the trade prices of some of our batteries will increase. The new prices are as below;

In addition, we have introduced a 33AH battery into the range. This battery is activfire listed and has dimensions of 195mm (L) x 130mm (W) x 180mm (H)
