

Date: 9 February 2009

Affected Products: Extinguishing release system Local Control Station (LCS)

Notifier is pleased to announce the release of the new extinguishing release system Local Control Station (LCS) to replace the current offering. This LCS will compliment our range of extinguishing release equipment.

This new LCS is fully backward compatible and can be used to replace an old-style unit so only a small number of the old LCS will be made available.

Ordering Information:

Part #	Description	Replaces	Trade Price
FG-42-001	Extinguishing release system Local Control System	1460	\$180-

If you have any question please do not hesitate to contact me.

Sincerely,

James Edwards
