## Brisbane Cricket Ground

*Brisbane*

“**The Gabba**” located in Woolloongabba seats 42,200 patrons in one of this country’s premier sporting arenas. The venue is home to the Queensland Cricket Association, the Queensland Bulls National Cricket Team and the Brisbane Lions Australian Rules Football Club. Situated only 2 kilometres from the Brisbane GPO this venue offers a range of benefits including extensive corporate facilities and a playing field of the finest quality.

Two networked Notifier Inertia Fire Systems AFP-2800 panels coupled with System Sensor addressable photo-electric, thermal and duct probe detectors provide comprehensive fire detection coverage throughout the venue.

Complimenting the fire detection system are several networked I-2000 Emergency Warning and Intercommunication System panels with over 2000 watts of available power to provide the facility with a state of the art evacuation system. This system ensures that the venue can be evacuated in a safe and efficient manner in the event of an emergency.
